HELPING HANDS

would like to lend a
helping hand!

NEED HELP?

The Helping Hands committee was formed last spring to help Saint Ambrose families who are in need of a little help. We show our support by coordinating meals for those in need during a challenging time.

We have four teams set up which we use to rotate meal requests, but could use a few new helpers for an additional team. Anyone is welcome to help and we hope you consider it!

Additionally, if you or someone you know is experiencing a challenging time or celebrating the birth of a new baby, please contact Nicole Lind. Helping Hands will connect with the family to establish any food allergies/preferences and arrange a convenient time to drop off the meal.

Thank you for your consideration!

Dear Saint Ambrose Parents,

I just returned from a great afternoon of packing food for Feed My Starving Children. Way to go 4th, 5th, and 7th graders! While at FMSC we packed 1,154 boxes and made 249,264 meals, which is enough to feed 683 children for a year. Our food is being shipped to Haiti and Nicaragua. Thank you to Amy Brown and Katie Kettleson for helping us with this service opportunity.

It is our job as a community to support one another through challenging times. We need prayers for sixth grader Levi Michalski and his family. Levi has recently been diagnosed with Ewing's Sarcoma, a rare bone cancer. Please offer prayers as this family makes decisions about treatment, and as Levi begins a difficult journey. Below find the link to his Caringbridge site. Our Helping Hands group (flyer attached) has begun planning meal delivery for the Michalskis. Thank you for your prayers of support.

Enjoy your family this weekend.
