HELPING HANDS

would like to lend a
helping hand!

NEED HELP?

The Helping Hands committee was formed last spring to help Saint Ambrose families who are in need of a little help. We show our support by coordinating meals for those in need during a challenging time.

We have four teams set up which we use to rotate meal requests, but could use a few new helpers for an additional team. Anyone is welcome to help and we hope you consider it!

Additionally, if you or someone you know is experiencing a challenging time or celebrating the birth of a new baby, please contact Nicole Lind. Helping Hands will connect with the family to establish any food allergies/preferences and arrange a convenient time to drop off the meal.

Thank you for your consideration!

YEARBOOK COVER DESIGN CONTEST

Your artwork could be featured on the cover of our yearbook! One design from each grade, K-8, will be featured on the back of the 2015-2016 yearbook. One design from grades 6-8 will become the front cover!

Requirements:

- Create your design on an 8 1/2 x 11 sheet of white (printer) paper.
- Your design must be original.
- You may use crayon, colored pencil, or marker. Please **outline the drawing in black** as much as possible to make sure your design is clear!
- Write your name (first and last) and your grade on the back of your design in pencil.
- Submit your design in the school office by **Thursday, Nov. 12.**

How will we judge the winner?

Mrs. Padellford, Ms. Hand, and Mrs. Nemetz will use the following criteria to choose one yearbook design from each grade level for the back of the yearbook:

- Saint Ambrose of Woodbury Catholic School 2015-2016 should be on the design (this is important!)
- Color enhances design; outlined in black for clarity
- Design is original
- Design is neat
- Design reflects the Saint Ambrose Way: Be creative! You might use pictures to show the Saint Ambrose Way instead of listing the main ideas with words.

If you need paper, or have questions about this contest, please contact Mrs. Padellford.

ATHLETIC NEWS

Basketball sign up is now open!

Sign up now to avoid the late fee.

We are looking for 5th-8th grade basketball coaches for our upcoming season. The commitment level could be about three nights a week. If you are interested, please e-mail me and let me know what grade and gender you are willing to coach.

Volunteers needed.

It is that time again where we are asking the parents and athletes to give back to the program and help us get new uniforms. It is through your support we can make our program better. We are hosting volleyball playoffs for three days after MEA. Oct 20, 22, and 23 from 4:00-8:00 pm.

In the next few years our goal is to upgrade uniforms for all our teams. The money raised from these tournaments goes towards the cost of getting new uniforms for all teams. So it does not matter what sport your child plays right now, these tournaments helps the whole program.

We need volunteers for numerous spots each night we are hosting playoffs.

- 1 working the Score Clock
- 2 working Admissions
- 2-4 working concessions.

Last year, our basketball playoffs was a huge success. Parents had bonding times with their athletes and athletes had bonding times with each other by forming teams to work these events. It was nice that the athletes themselves were able to give back to the program.

Please consider volunteering your time and help support the program.

Dear Saint Ambrose Parents,

The teachers and I are grateful to the Home & School for providing a delicious luncheon on conference day today. We are fortunate to have a generous community with great culinary talent.

Junior High families will receive a survey today for feedback on assessment. Please complete the survey and RSVP to Monday night's information meeting.

As Pope Francis said, this is a prayer we must say everyday: Holy Spirt make my heart open to the word of God, make my heart open to goodness, make my heart open to the beauty of God every day. Amen!

Enjoy this long weekend with your families. We look forward to a full week of learning when we return!
